### **Important Note:**

1. Science, Maths, English, Physical Education and Computer Science subject enrichment activities are being conducted as per the schedule given by subject teachers. Students are required to contact the concerned subject teacher for the schedule.
2. Parents are required to see that their ward must be present on the day of oral/practical/written exam. No separate exam will be taken for the absentees. Absenteeism just before or on the day of the practical exam, unit test/periodic tests without a genuine reason shall be dealt with serious disciplinary action. Students taking leave due to medical reason must submit an application along with medical certificate on the day of joining the school, otherwise the medical certificate will lose its validity.
