Dear Parent

We are pleased to inform you that we are organizing a talk by an eminent speaker, Ms Ira Sehgal who has been in the field of education since 1981 and has conducted workshops and seminars on varied topics. The Parent's Orientation Program scheduled for **Saturday, 6th May 2017 between 8: 30 a.m. and 11: 30 a.m** for the parents and students of **classes VI and VII** will deal with topics such as parenting teenagers and guiding board children. The event will be followed by a PTM for classes VI and VII. You are requested to make it convenient to attend the Orientation program as this will provide us an insight into good parenting, effective handling of teenage children and provide us tips to secure better results for children.

We are also organizing a camp in association with the smart class providers of our school "EXTRAMARKS". There will be a presentation and demo w.r.t use of Tablets by the students in our modern day education system. These tabs are the continuation of study from the classrooms to home. Having the advantage of curriculum based hands on material, worksheets and tests, these tablets will act as an extension to what is being taught in school. Being easily accessible, these tabs ensure anytime anywhere learning and children are all the more drawn towards learning through tabs.

In order to ensure that adequate arrangements are made for the parents who will be attending the event, you are requested to kindly send the below mentioned consent form to school latest by Friday 5th May 2017.

Kindly note that the school will remain closed for the students of classes VI and VII on Saturday, 6th May 2017.
